

GPB3000

Pedal Board with Bag

GUITAR STANDS & ACCESSORIES

FEATURES AND BENEFITS

Guitarists, cut set up down to a fraction of the time! At 18.7" x 9", the GPB3000 Pedal Board has the room to organize up to 10 pedals in the ideal signal flow. Its aluminum construction is lightweight, yet stands up to the most energetic performances. Strategic cutouts provide a versatile cable management system, while the included adhesive hook & loop strips mean pedals can be arranged as desired. What's more, it all fits in a high quality gig-ready bag with removable shoulder strap and reinforced top and bottom.

Six onboard cutouts and one main front panel cutout for easy cable routing. Room for up to 10 pedals.

Room for up to 10 pedals!

GPB3000 has the room to organize up to 10 pedals in the ideal signal flow. Adhesive Velcro strips included.

A Must for Every Gigging Musician!

The convenient carry-all-bag allows you to unpack, plug and play! Bag can be carried using the padded carry handle or removable, adjustable shoulder strap. An interior zippered mesh pocket is perfect for accessories!
